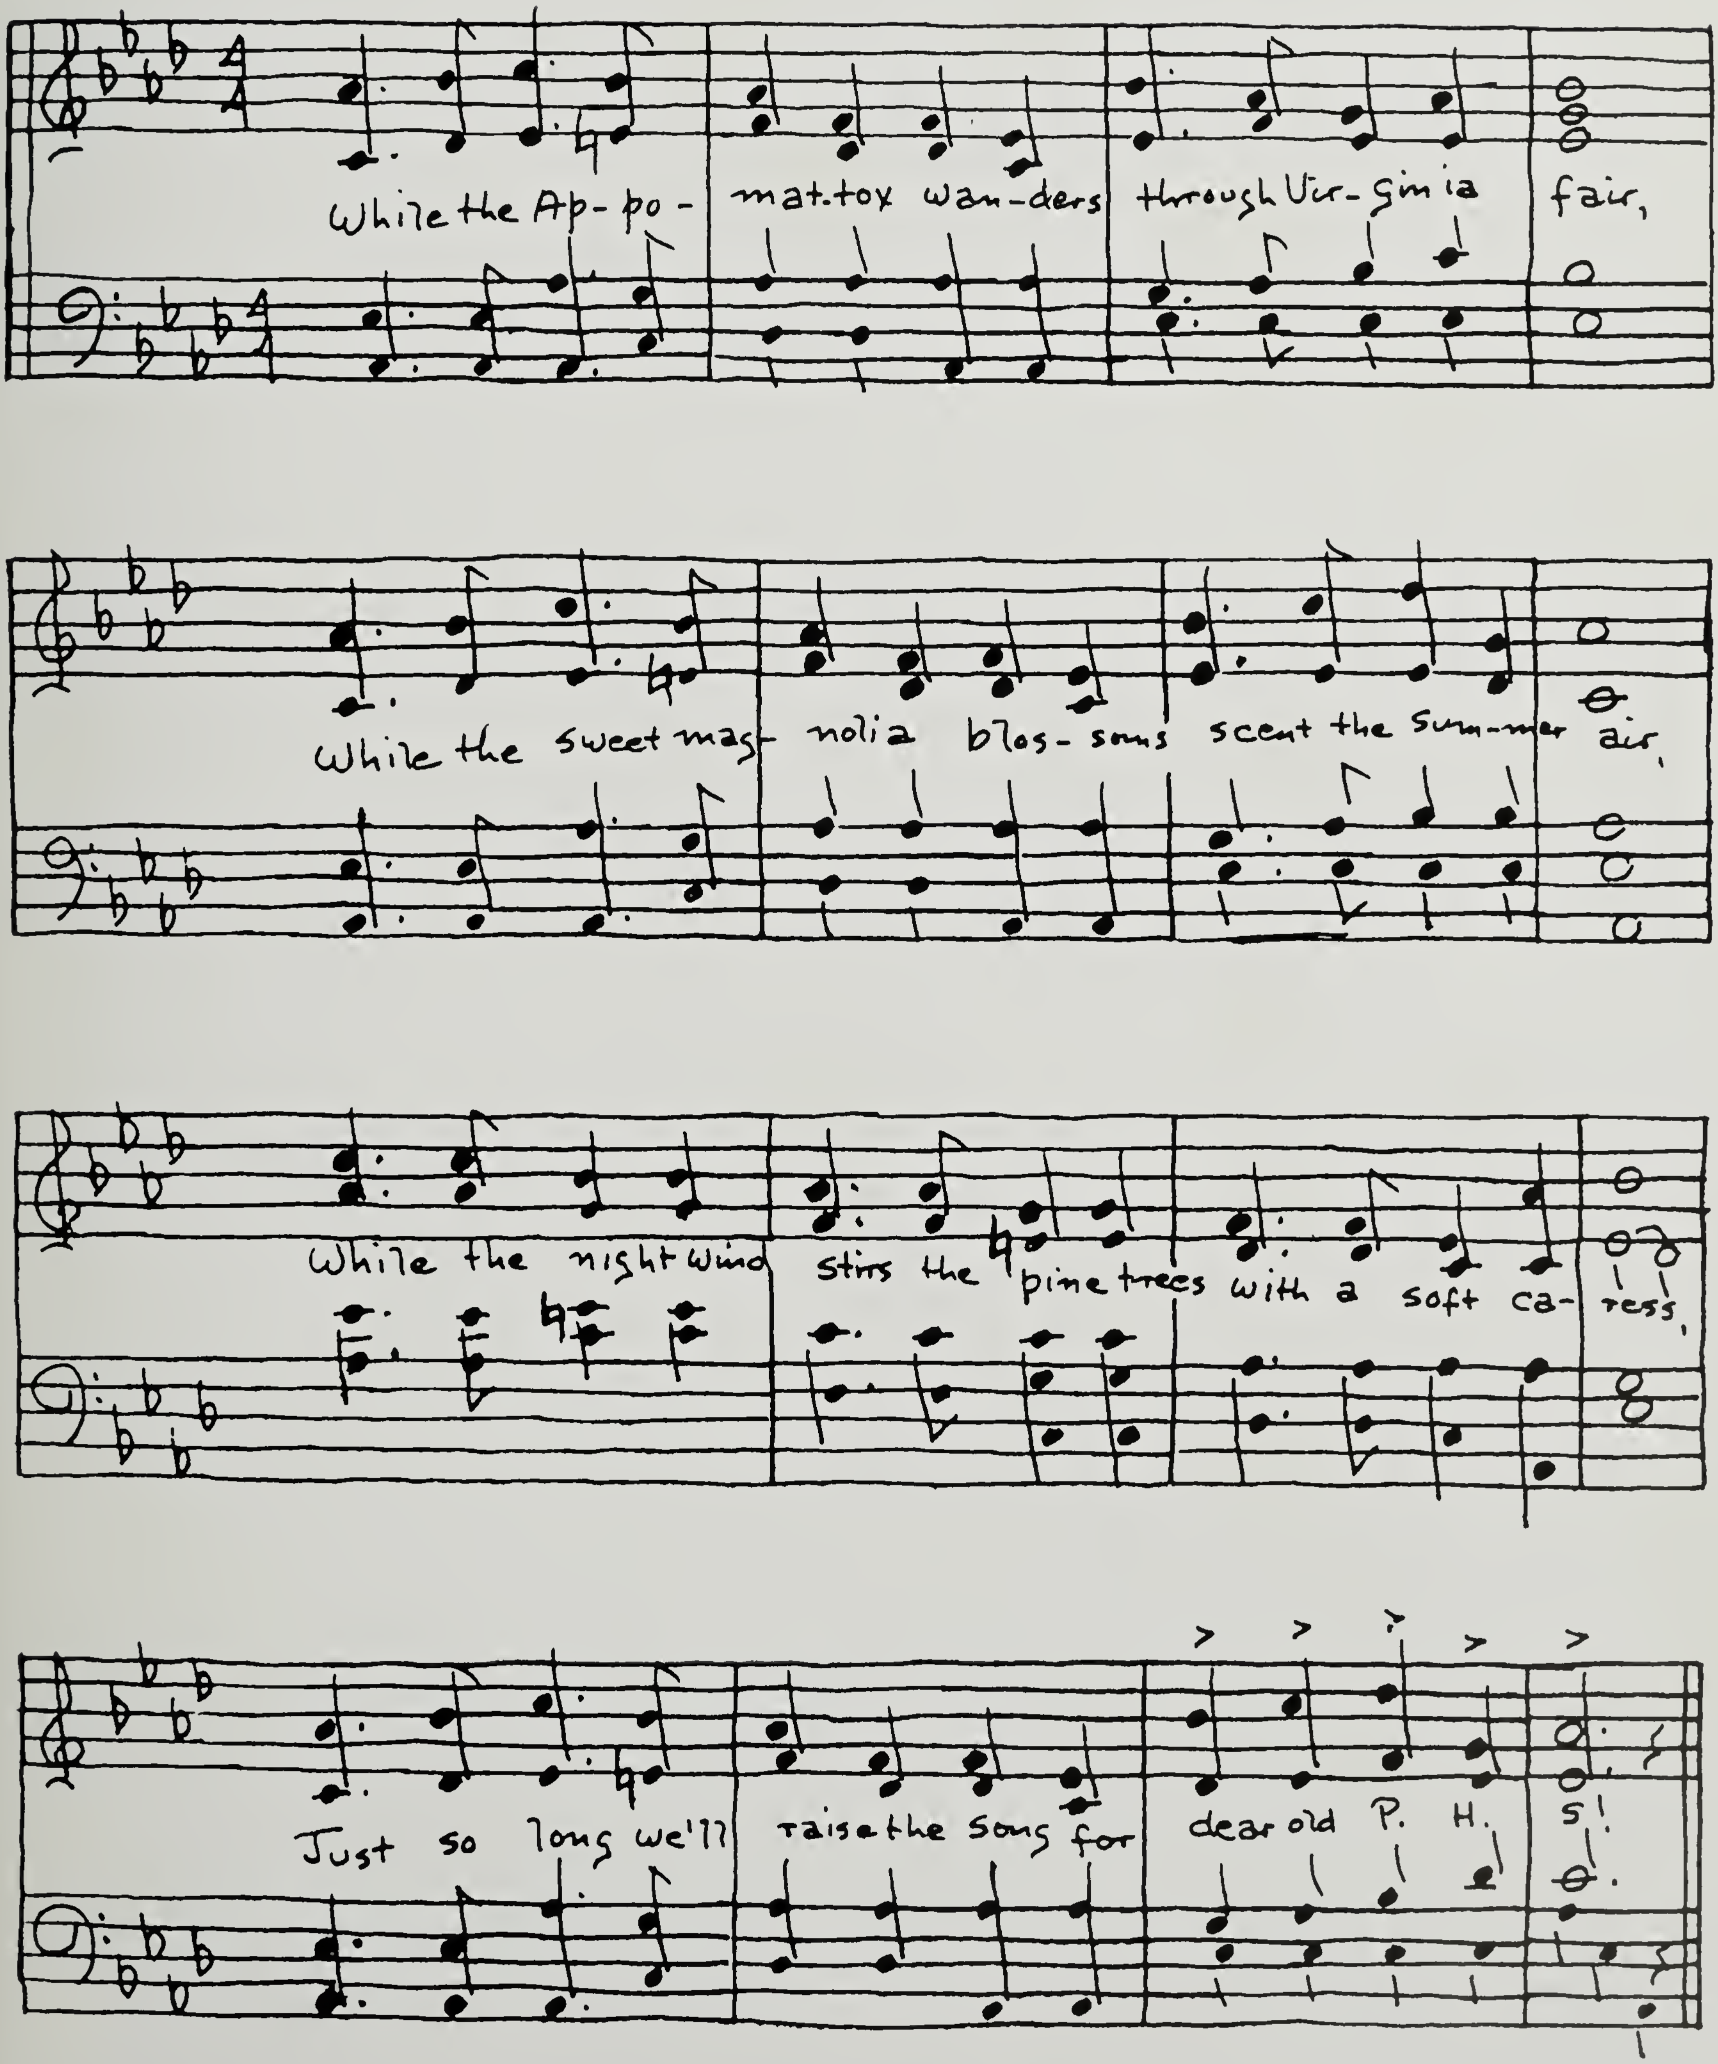
Tune - "Annie Lisle"

Alma Mater



While the Ap-po-mat-tox wan-ders through Vir-gin-ia fair,
While the sweet mag-nolia blos-soms scent the sum-mer air,
While the night wind stirs the pine trees with a soft ca-ress,
Just so long we'll raise the song for dear old P. H. S!

Say It With Music

Music has long been a language that everyone understands. Since we were all small fry, we have sung songs and hummed familiar tunes. Never a day goes by that we don't hear music.

Music has changed considerably in the last four years; and so have we, the class of 1960, since we entered PHS as freshmen. Not every minute of our life here at school has been a song; we have had many obstacles to overcome, but on the whole we look back "With a Song in Our Hearts" on the last four years at PHS.

We, the staff of the 1960 "Missile", in choosing music as the theme, hope we have portrayed the different parts of school life in a manner that will help you to remember them far longer than just graduation day.

The purpose of the 1960 "Missile" is to review the past year; and we hope that the underclassmen, who will soon be seniors, will have as many "Moments To Remember" as we have.

SAY IT WITH MUSIC
C. COGLE

Dedication

There are few teachers in education today who are as loved and respected as Miss Frances Evans, English teacher and yearbook advisor. Miss Evans received her BS degree in Education from Longwood College and her MA degree in English from the University of Virginia. She is a member of the Delta Kappa Gamma Teachers' Honorary Socety.

For the past five years, Miss Evans has been the faculty advisor for the "Missile". It is due to her understanding and patience that the "Missile" is published each May. This is the first time in four years that the "Missile" has been dedicated to a woman; and we think it fitting that it be to Miss Evans, who has done more toward its publication than anyone else.

Her guidance and sense of humor have carried us over many hurdles both in the classroom and in annual work. Her excellent teaching has been an inspiration to her students and has helped many toward a better understanding of the English language. She is not only a dedicated teacher but a friend, and she is never too busy to be sincerely interested in each of us. Her sparkling personality has endeared her to those who have been associated with her.

So it is to a woman deeply respected and loved by her students, friends and fellow teachers that we affectionately dedicate the 1960 "Missile".

Miss Frances Evans

MOMENTS TO REMEMBER

The class of 1960, now so close to graduation, have many moments to remember from our four years here at PHS.

REMEMBER? . . . that first exciting and confusing day when we were freshmen . . . the humiliation of having to ask an upperclassman where places were . . . the tons and tons of homework that seemed to pile up on weekends . . . trying out for Mr. Betts' plays, learning lines and painting scenery . . . initiation days—those poor goats . . . those sore muscles gotten from Cheerleading tryouts . . . going to football, baseball and basketball games . . . enjoying plays such as "Blythe Spirit", "The Glass Menagerie", "King of Hearts", and "The Diary of Anne Frank" . . . 1959, when we won the Central District Baseball Tournament . . . going to Band and Glee Club concerts . . . the Proms and the parties afterwards . . . the organization of the Varsity Club and Gold Blazers . . . the unforgettable Varsity Club show, "Varsity Highlights" . . . how good the school looked after the renovation . . . the SCA campaigns and elections . . . our very own Ring Dance, and how proud we were wearing our new rings . . . the Homecoming weekends with booths at the field and the dance on Saturday night . . . that glorious 7-6 football victory over Hopewell in '58 . . . the playoffs in the Basketball Tournaments in Richmond in '58, '59, and '60 . . . Twirp Week, when the girls had to pay for the dates . . . the rush to get those articles in for the "Review" and the "Weekly News" . . . the new track team, and a few skinned elbows and knees it brought . . . Tri-Hi-Y and Hi-Y meeting on Monday nights . . . College Night, when we began to realize how close college really was . . . the "excellent" rating we received during Evaluation Week . . . the competition for the Sportsmanship Trophy . . . the big day when we finally became seniors . . . having three or four meetings to go to at once during homeroom period . . . those gatherings around the water fountains and the Coke room in the mornings . . . listening to "Ye gods, man" in Mr. Powers English class . . . senior Slop Day, and all the crazy pictures that were taken . . . Col. Lloyd's jokes, and "If you wanna dance, you've gotta pay for the orchestra" in civics (excuse me—government) . . . the victory, 76-53, over Hopewell in basketball in '60 . . . the joyous day when the girls got bigger mirrors in the washrooms . . . the closed TV circuit used for the Hopewell game . . . the cramming we've done for exams, but especially what we'll do for finals . . .

All these things are behind us now, but we have other things to look forward to . . . graduation . . . college . . . jobs . . . and so much more. As the class of 1960 leaves PHS and goes into the life ahead, we wish all those coming up behind us the best of luck and as much fun as we've had.

AULD LANG SYNE

GRADUATION THOUGHTS

(Tune of "Auld Lang Syne")

As graduation draws so near,
We seniors reminisce
Of days gone by and friends so dear,
Whom we in time will miss.
Our teachers have their praises earned,
They taught us faithfully,
For all of us they were concerned;
They're the best we all agree.

Old PHS we all admire.
As she does stately stand,
Above all schools she does aspire
To lead throughout the land.
We've been together four long years,
Success succeed with a crown,
But for our class we give three cheers,
The best in any town.

Troilen Gainey

AFTERTHOUGHTS OF A '60 GRAD

The roll of drums rings in our ears,
The class of '60 thinks back through the years;
So here we stand as now we are done;
Our deadlines were met, our grades were won;
PHS has taught us and now we are through;
We've studied, we've crammed, we've learned—now adieu.
Adieu to the halls where bright faces shine;
Of fun while in school many memories are mine;
It is here in this school that we've heard so much said
That will help us and guide us in the hard life ahead;
And now that we're past so much labor and strain,
We look back and know here our hearts will remain.

Brian Dorsk

GRADUATION — THE LONGEST FLIGHT

We stand upon the edge of flight, like birds
Who wish but are hesitant to try their wings.
We shudder, though there are reassuring words
To tell us of the happiness flight brings.
So fearfully we look from face to face—
To others here we ask just what to do;
But we must fly if we would find our place,
And so we soar into the distant blue.
A new horizon greets us from afar,
And separately to it we make our flights
As no one else can tell us who we are,
And so we upward fly to greater heights.

Barbara Ford

GRADUATION

Now is the time that we must part
And go our separate way,
The feeling that's within each heart
Is not completely gay.

The friends we've made and fun we've had
Will echo through the years,
Though when we leave, it will be sad
As we try to smile through the tears.

Then with our gowns of white and blue
We'll march with heads held high;
Some still cannot believe it's true
Though now the time is nigh.

Mildred Williams

CLASS OF '60

We're seniors! after all these years
Of sweat and blood and toil and tears.
The sunshine's finally peeking through,
Our fondest wish is coming true.
Instead of being freshmen now
It's we to whom the freshmen bow.
Graduation's coming soon,
It's just around the corner—June!
In these four years we've had a ball;
The class of '60—best of all.
Nineteen sixty holds in store
New friends, good times, and so much more.
We're filled up to the brim with knowledge,
We'll need it when we go to college.
Now while this poem is being read,
And as we look to years ahead,
It's hard to hide a little sigh—
The class of '60 says goodby.

MISSILE STAFF

As the annual publication comes into effect, the diligent labors of the *Missile* staff are proved. Although the staff is numerous, don't think that each and every member doesn't work! In the fall, when pictures are taken, everyone is assigned his own special job. He then goes to work and does it diligently, so the *Missile* can be published on time.

The *Missile* serves as a source of happy memories and a guide of activities for the students and alumni of P. H. S.

"Devoted To You"

STUDENT CO-OPERATIVE ASSOCIATION

The Student Co-operative Association, better known as the S.C.A., assists in the formation of new ideas and aids in finding solutions to the various problems that arise in our school.

Each homeroom elects a representative and an alternate at the beginning of each term to represent it at weekly meetings. Here everyone has an opportunity to express his ideas, pro or con.

The Petersburg S.C.A. is well represented at S.C.A. conventions, and from the reports given to the students in assemblies, it certainly seems as if they are truly wonderful and rewarding.

Our active S.C.A. has many projects. Each year it improves, and we know this year will certainly be no exception. The S.C.A. may rightfully say, "We are devoted to you, the students of Petersburg High School."

(Spring)

First Row: L. Thayer, D. Groome, C. Seay, P. Crowder, S. Boone, N. Clements, J. Archer, G. Perkins. *Second Row:* Mr. Betts, C. Royall, P. Hale, J. Talmage, M. King, A. Atkinson, T. Rudy, J. Powell, B. Jones.

"Man To Man"

The Key Club represents the quality and brotherhood of the P.H.S. boys. Their motto, "We Build", explains the purpose of the club—to build character in every possible way.

An invitation must be received in order to join this club. The number of vacancies is doubled and the list is approved by the class sponsors and Mr. Gill. Then the club votes in the new members. Freshmen are not eligible.

The members of the Key Club park cars at football games and wear coats and ties once a week, as a group, to school. Selling magazines was a large project this year as was purchasing a bulletin-board showcase to inform the students about their activities. The club donates one-third of this showcase to different clubs every two weeks.

"Take A Message To Mary"

Attention "bosses"! Take notice of the future secretaries of P.H.S. You're sure to succeed with any choice you make.

The requirement for the Commercial Club membership is the desire to make secretarial work a career.

Each member of the Commercial Club has her own sweater with the club's emblem.

"High School U.S.A."

What better way to catch up on the latest news of P.H.S. than to read the *Weekly News* every Sunday. The seniors by whom this is written conscientiously strive to make each article a good journalistic achievement.

The *Weekly News* states opinions, discusses various topics, and tells of the activities in school. It is surely a summary of a typical "High School U.S.A."!

"Sixteen Tons"

Well . . . they don't quite weigh sixteen tons but, all these "husky men" of the P.H.S. Varsity Club together would come pretty close to it. In order to become a member, one must receive a letter in any of the major sports of P.H.S.

Each member of the Varsity Club has a crimson jacket with an emblem on it. These boys help promote the best sportsmanship that P.H.S. can display at games.

This year's project of the Varsity Club include parking cars at the basketball games, plays, and concerts.

"My Baby's Gone Comic Book Crazy"

The Library Staff is composed of students who are interested in books and who like to be around them—not comic books that is! These workers assist you in looking for a suitable book, check books in-and-out, and place the books back on the shelves.

Anyone who wishes to serve may join the Library Staff. The members work before, during, and after school.

"Just Like In The Movies"

You'll more than likely think you're in the movies when you are watching a movie being shown by a member of the Projection Crew. These efficient students have learned expertly the art of operating the projectors.

They repair broken machines and devote their time to showing the movies teachers have chosen. Usually, if a movie is shown, a member of the Projection Crew is "on the scene".

Anyone who is interested may join.

"Whistle While You Work"

The purpose of the D. E. (Distributive Education) Club is to give the D. E. student leadership training and develop an attitude of co-operativeness on the part of each person in the D. E. program.

The members are those who are taking the Distributive Education course.

The club learns more about the field of Distribution through local businessmen that serve as speakers at D. E. meetings.

The club is engaged in a "Careers in Distribution" project this year. Business men and women who are experts in their fields speak at D. E. club monthly meetings and give D. E. students an idea of the many different careers available in the field of Distribution. This project is intended to help students choose a vocation after high school graduation.

"Get A Job"

The Diversified Occupations Club, better known as the D. O. Club, enables students to be trained efficiently in the field of work they choose.

The members of this club are those who are taking the Diversified Occupations course.

Members of the D. O. attend state and district conventions.

Seniors in this club attend school half a day and work the other half in order that they get on-the-job training.

Each member has the club's pin. D. O. Clubs are national organizations.

"Steppin' High"

The majorettes of Petersburg High School march proudly with the band. They perform at football games, pep rallies, parades, and at various other times whether it is rainy, clear, warm, or freezing temperature.

These seven girls tried out against many others and were chosen because of their ability and personality. Much time, work, and practice is put into their performances and they show it in high spirits and plenty of pep.

The band doesn't seem complete unless the majorettes are accompanying them.

"Paint the Town Pink"

If there was enough paint, the art club would no doubt have a glorious time "painting the town pink" or any other color that would blend in. This club meets once a week and paints different scenes, objects, and has had a person to pose for it. Any student interested in taking art may join.

Among their various projects, the members have sent entries in to a contest concerning soil conservation. The winning poster is put on book-covers, posters, and signs around the state. Also they painted two murals in the cafeteria this semester to add to the enjoyment of eating there.

"If I'd Known You Were Comin' I'd Have Baked A Cake"

These girls would probably not only bake a cake, but prepare a dinner for their guests. The Future Homemakers of America, better known as the F.H.A., learn to be efficient homemakers.

In order to become a member a student must have taken, or be taking home economies.

The girls have entertained area schools at the Fall Rally.

The club has a creed and a song.

Projects include dressing dolls for the Salvation Army.

"Who Wears Short Shorts?"

The Monogram Club is made up of girls who have participated in a major sport. This club strives to promote more interest in the girls' sports. The major sports are basketball, hockey, and softball.

To develop a more experienced team, the eighth grade girls were allowed to join the hockey team this year.

The Monogram has such projects as selling name stickers, car plates, and selling Cokes after the boys' basketball games.

"With A Song In My Heart"

"Say it with music" would be a good motto for the Glee Club, as that is exactly what they do. Their "talking" is really inspiring, especially at Christmas and in the spring during "spring fever season," when semi-annual concerts are given. Much time and practice is put into these concerts in order that they may be a success. The Glee Club plays an important part in school life and is a source of pride to P.H.S. A senior choir is an addition this year to the Glee Club.

Girls' Ensemble

The Girls' Ensemble is a group of girls chosen from the girls in the Glee Club. They often perform for people outside of school. This year, the Ensemble has performed in Fort Lee with the full Glee Club, for the Rotary Club with the boys, for the Music Club, and for the Federated Women's Club.

"IT'S ONLY MAKE BELIEVE"

Yes, it is only "make believe", but the talented members of the Petersburg High School Dramatics Club create an atmosphere of convincing realism. Each member of the cast works hard to portray his role effectively. The result has been splendid performances with high standards of excellence.

There are many unrecognized workers taking part in these productions, such as: make-up staff, prompter, publicity staff, stage designers, art staff, and prop committee.

Anyone who is interested in dramatics may sign up for this club. Any member of the student body may compete for a part in the dramatic club presentations.

"Peek-A-Boo, I'm Watching You"

Peek-A-Boo, they're watching you. That's the feeling you may get if you are walking on the wrong side of the hall and happen to see a Monitor. These students are stationed at various places to keep "traffic" going smoothly. They do a splendid job of it, too. They may be seen in the cafeteria helping to keep order and to keep it clean, and in the auditorium in aiding Miss Reynolds in giving achievement tests. Monitors can easily be identified by the crimson and gold bands they each wear.

These students are selected each year from members of the junior and senior classes, and they should be recognized for serving P.H.S. in this valuable way.

"Problems"

Review STAFF

With a student body as large as that of Petersburg High School with the varied interests involved, a school newspaper is essential to keep the student body informed. To disseminate the many angles of news in an efficient and interesting manner, the *Review*, our school paper, has its problems.

The feature articles, editorials, and what-have-you, that together make up the *Review*, are proofread, typed, and given close scrutiny before being printed. There are about six editions of the *Review* each semester.

The *Review* Staff consists of proofreaders, circulation staff, reporters, and editors. They work in unison to furnish the students of P. H. S. with the latest news in school activities, sports, and the latest scoop on school romances.

"There Is Nothing Like A Dame"

Social Clubs

Everyone will probably agree that there is absolutely nothing on this world to compare with a dame, but the fairer sex enjoys being its own special way — bold or shy, happy or sad, complaisant or disagreeable — even to the extent of being down-right obstinate at times. However, these girls in the social clubs are very co-operative as they prove when they "dream up" a project. Since women are supposedly unpredictable, you never know which project will be next, but you can bet your life it will be worthwhile.

P.H.S. has three social clubs: Goober Pep, Odd Girls, and Square Circle.

"YOU GOTTA HAVE HEART"

There's no doubt about it—you've just *gotta* have heart and plenty of pep if you expect to be "hep" as far as the Gold Blazers are concerned. The Gold Blazers are the pep club of P.H.S. They promote good sportsmanship and school spirit around the school.

Among their projects are: displaying posters in the halls prior to games, decorating of goal posts in football season, and participating in pep rallies.

In the Gold Blazers are cheerleaders, a representative from each homeroom, and finalists in cheer-leading tryouts.

"Side By Side"

"To create, maintain, and extend throughout the home, school and community, high standards of Christian character"—this is the motto of the Tri-Hi-Y clubs. These clubs, the Pence and K-Warner, strive to instill high principles of character.

Meetings are held each Monday night at the Y.M.C.A., and any girl who attends P.H.S. and has a strong desire to uphold the Tri-Hi-Y motto may become a member.

Projects for the year were working in the Salvation Army Booth at Christmas and sponsoring the Thanksgiving assembly.

"Side By Side"

There are two Hi-Y's in our school, Crater and Cockade.

The purpose of the Hi-Y's is to "maintain, create, and extend Christian standards throughout the community." In order to become a member one has to have good Christian standards and be approved by the clubs.

The Crater and Cockade have many projects. Both clubs have sold fruit cakes, attended church together, distributed United Fund leaflets, and manned the Salvation Army Booth and homecoming stands.

The Crater's other projects are wearing coats and ties to school, selling drinks at auditorium functions, purchasing club coats, and distributing Christmas baskets.

The Cockade has also sold programs at basketball games.

With the Tri-Hi-Y's the clubs are buying a trophy case for the school.

Wave Has Successful Baseball Season

Keeping the bench warm

The Crimson Wave Baseball team, under the capable guidance of Coach Bobby Churn, turned in a 9 win-10 loss ledger for the 1959 campaign. Although this was not a winning season, the Wave showed much potential and hustle, which should make for a better season next year.

The Wave was led in hitting by Senior Billy Dayvault with a .364 average for the season. Next in the order were Freddy Edmonds, .356; Chris Tisdale, .320; Wayne Hatch, .283; and Captain Jerry Ellis posted a .288 average.

The pitching staff will remain intact with righthanders, Chris Tisdale and Freddy Edmonds, and lefthander, Harold Ford, returning. The highlight of the year for the pitching staff was that Freddy Edmonds pitched 19 consecutive no-run innings.

The players leaving the team this year are: catcher, Bill Davis; captain, Jerry Ellis; outfielder, Billy Dayvault; outfielder, Warren Delk; and outfielder, Charles Parker.

TRACK

Track, a very popular sport, is back at Petersburg High School. It was discontinued several years ago, but resumed with much spirit in 1959.

The 1959 Petersburg High School Track Team was coached by Mr. Bob Howard; with Mr. Ed Linta and Mr. Dick Zaruba assisting.

The track team finished the season with a record of two victories, and two defeats. It also won second place in two tri-team meets. Although they were all beginners at this sport, the team showed lots of determination, hustle, and a fine spirit. Most of the members will be returning for another year, and the future looks very bright for a successful track team.

Outstanding members of the track team were: Earl Hawkins, Monty Hawkins, Charles Moore, Cocky Georgel, Bob Senecal, Bob Smelley, Kenny Pritchett, Hardy Traylor, Dickie Atkinson, and Bennie Kirkland.

CRIMSON WAVE HAS WINNING SEASON

The Crimson Wave had its best football season in a decade. The squad finished the season with a record of 6 wins and 4 losses. The team was coached by Head Coach Bob Howard and assisted by coaches Stan Brown and Hubert Payne.

The scoring honors were taken by Earl Hawkins with 79 points, which also made him the top scorer in the Central District. Little halfback Monty Hawkins was second in team scoring with 42 points.

The Wave will lose top line stars Bob Smelley, Lee Fleshood, Co-captain Mack Knowles, Jim Nowlin, Captain Kenny Pritchett, W. J. Kitchen, and George Perkins. Backfield standouts lost are Monty Hawkins and Ronnie Cook.

Other seniors on the squad were Jimmy Kuska, Claiborne Vaughan, Jerry Wells, Hank Alperin, and Gene Lunsford.

Great spirit and team work marked this year's Crimson Wave football team. Not only was the offense tops, but also the defense with such standouts as Kenny Pritchett, Van Robertson, Ronnie Cook, Doug Traylor, and Monty Hawkins.

Although the team loses a good many top flight players this season, the outlook for next season is very good.

BASKETBALL TEAMS

Wave Has Outstanding Record

The 1959-60 basketball season closed as the finest for the Crimson Wave in a number of years, as the team finished with an over-all season record of thirteen wins and five losses, good enough for third place in the Central District.

Douglas Freeman defeated the Wave by one point in the district tournament. Two of the five seasonal losses were by one and three points.

Co-captain Bill Burton led the team in scoring for the fourth straight time with a 24.7 average. He was the district's top scorer and number two scorer in the state for the second consecutive year. He was chosen on the All-District team, All-Tournament team, and First Team, All-State, Group I. He finished his career with a total of 1,289 points and averaged 16.9 points a game over a four year period.

Chris Tisdale, Freddie Edmunds, and Bobby Roberson, all seniors, received honorable mention in the district.

Co-captain Jerry Rudy, the team's playmaker, Ryland Vest, Wayne Hatch, John Sanford, and Norman King are all seniors who will not return next year.

The rest of the squad consisted of juniors and, with a fine JV squad coming up, they make next year's prospects excellent.

JV Basketball Team

The Baby Wave had an impressive record of twelve wins and five losses for the season. The team was led in scoring by Carmen Ruffa and Raymond Wade with eight point averages. The Baby Wave nipped archrival, Hopewell, as Carmen Ruffa sank a jump shot with four seconds remaining in the game.

Good varsity material is in the making as Dee Hartman, Benny Myers, Raymond Wade and Dougie Traylor will be moving up next year. Coach Churn also deserves much credit for the team's fine record.

Ninth Grade Team

The Ninth Grade cagers in their second season of organization came through the season in fine form posting a 6-4 record. The team played a fine caliber of ball and on many occasions met opponents with more experience.

Jimmy Rosenstock led the team with a 16.6 average and Mac Corter was second with a 14.2 average per game. The rebounding and shooting of Terry Lesceure, Sonny Richardson, and Kirk Jones proved one of the strong points of the team. Meredith Horn showed himself to be an able ball handler and a defensive ace. Wert Smith, Danny Hopkins, and Marvin Rose also distinguished themselves throughout the season.

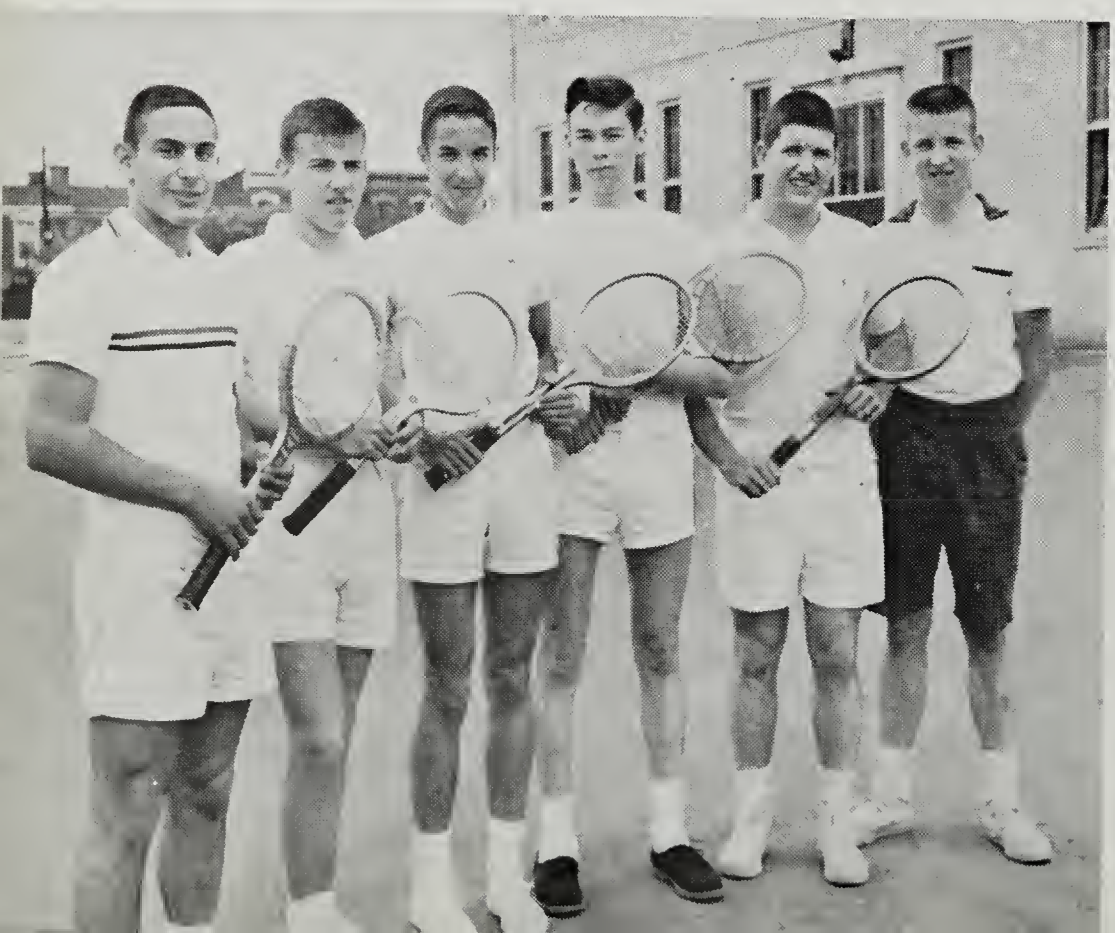
1959 Golf Team

The Petersburg High School golf team, coached by Mr. Robert Budlove, had a very successful season last year. The team's record was 6 wins –2 losses, and both losses were by a single point. The lettermen were: Tommy Butler, Sam Johnson, Dean Miller, Cooper Pearce, and Cleve Wright, but several other boys also showed excellent potential. The only player who will not return is Dean Miller, and added strength from some of the boys graduating from junior high is expected.

Left to Right: Hank Alperin, Jerry Rudy, Mark Farber, Charles McEwen, W. J. Kitchen, John McEwen.



1959 Tennis Team

The Petersburg High School tennis team, coached by Mr. Bob Kilbourne, had a fairly successful season this year. The team consisted of six players, number one man being Jerry Rudy, who won more than fifty percent of his matches.

The team played five matches this year, and although the boys won only one match, they all showed real hustle and determination. All of the boys from this year's team will be back next year, and the outlook for next season looks very promising.

GIRLS' SOFTBALL

WAVELETS END SEASON WITH TOP RECORD

The 1959 softball season was the best for the Wavelets in many years. They came out on top in six games, while losing only three. Their outstanding game is considered to be the one with Dinwiddie, a previously undefeated team. The game with Thomas Dale, also an unconquered team, was another tense and exciting game, which lasted two extra innings until the Wavelets finally won in the ninth inning by one run.

Helen Wall, who was called by the area coaches the best high school pitcher in Southside Virginia, pitched tremendously for the Wavelets, winning six games and losing only one. She was also the top hitter with Diane Harrison and Carole Hartford slugging right behind her. Sylvia Matthews carried out her job as catcher with great accuracy all season.

The co-captains this year were Sylvia Baber and Helen Wall. Other lettermen were: Diane Harrison, Pat Newman, Mary Jo Tudor, Sylvia Matthews, Carole Hartford, Louise Andrews and Diane Slaughter.

HOCKEY PLAYERS RECEIVE BERTHS ON ALL-STAR TEAM

At the Tidewater Field Hockey Tournament in Richmond, Kay Redmond and Phyllis Marshall were chosen center halfback and goalie respectively on the first team, and Diane Slaughter, center forward, was chosen for the second team.

These honors were won by individual players in spite of the fact that the Wavelets did not win any games. The team tied St. Gertrude's in regular season's play and also tied them at the tournament.

Receiving their fourth year star are co-captains Kay Redmond and Francis Perkins. Shannon Moore, Shirley Slate, and Diane Whitmore received their third year stars and Phyllis Marshall, Lala Baggett, and Diane Slaughter their second. Bernadette Humphries, Mary Berryman, Gloria Edwards, Susan Myers, Faye Joyner, and Mary Jo Tudor won their letters.

At the All Prep Basketball Tournament in Richmond, the Wavelets beat Collegiate and lost to Thomas Jefferson and St. Catherine's. Diane Slaughter was selected on the Second All Star Team.

Although the team did not win any games in the regular season, it played in many exciting ones. The Collegiate game in which the Wavelets lost by one point is thought to be their best.

Co-captains for the 1960 season were Peggy Vaughan and Mary Jo Tudor. Girls receiving letters are Peggy Vaughan, Mary Jo Tudor, Diane Slaughter, Joanne Vinson, Sandra Emory, Louise Hughes, and Elizabeth Chandler.

PRESCRIPTIONS ARE OUR SPECIALTY

The most important thing in this store is something you never see. What is it? It's your pharmacist's professional knowledge and technical skill.

It takes years of study in college and then he must pass the state board of examiners. He must have a knowledge of many sciences. Get better acquainted with us. Trade with us. We can be relied upon in all circumstances.

FINE QUALITY ENGRAVINGS . . .

are nowhere more essential than in the high school annual.

Consistently good engravings has been a primary reason for the selection of our plant as the engravers for the "Missile" for many years.

The Petersburg Engraving Service offers the conscientious yearbook staff the finest in quality, service and workmanship.

GOOD GAS SERVICE MAKES WARM FRIENDS

CONGRATULATIONS, GRADUATES!

Although now you are graduates, you can do a great service for the rest of us, if you never cease to be students — looking for opportunities and ways to cherish the American system of free enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and work and think and talk as you please. This is your heritage from the people who built America.

THE FUTURE is pretty largely in your hands — you must be vigilant and active to combat the evils of socialism, government domination of private industry, and all the "isms" that destroy democracy. We depend upon you to do a good job.
